Planning (New)

1. DM/22/02139/OUT – Teasdale. Outline planning permission for 1 dwelling.
After discussions it was resolved that:
Generally, ‘infill’ housing within the village is inevitable, and we acknowledge that necessary, sensitive housing should be encouraged, where there is a need.
However, we also believe there are several concerns and inaccuracies within this application which we think should be brought to the attention of the planning authority.
The council will set out and advise the planning authority of our concerns in the areas of:
 - Open Access Land
 - Inconsistencies in the supporting statement
 - Land Ownership (not part of the planning process but there is information which we feel may be helpful)
